

RULES & REGULATIONS

Jr. Team Tennis Spring 2025

The GRETA Recreational Junior Team Tennis (JTT) league is a fun, team-oriented, and competitive tennis league for youth tennis players from beginner through advanced levels of play. Teams are co-ed and comprised of players of similar age and ability. JTT is open to all players regardless of club or school affiliation. Teams will compete against other local teams in the spring season for the opportunity to advance to a state championship. There is also a fall season for players to continue to gain match experience. The objective of the GRETA JTT league is to introduce kids to team competition in a positive setting that promotes sportsmanship, skill development, and personal growth.

The GRETA JTT league is sanctioned and supported by the United States Tennis Association (USTA), the USTA Southern Section, and the North Carolina Tennis Association. In addition to the local JTT regulations outlined in this document, all players, coaches, and parents must abide by the national regulations set forth by the USTA as well as additions set forth by USTA Southern.

Spectator Code of Conduct

To promote fairness and to assure a physically and mentally healthy experience for all players, tennis has expectations around spectator behavior. All JTT spectators are asked to follow these rules of conduct:

Cheering

Clapping for good shots is encouraged and will be allowed provided spectators show respect for all players.

- Please wait until a point has finished before clapping. Clapping during play is a distraction for all players.
- Please keep cheering respectful in tone and volume. Cheering that gets out of control can intimidate children on the court, disrupt other matches in progress, and cause conflict between opposing teams.

Coaching

Coaching and all other communication to the players from both spectators and the team captain/coach is prohibited in our local league. Spectators are not allowed to assist with making line calls, calling double bounces, or providing scores to players. The team captain/coach may intervene in a match to answer a question or resolve a dispute.
